Dear Landlord,

This letter serves as a final reminder that the Flint Housing Commission (FHC) will be transitioning to direct deposit only for all Housing Assistance Payments (HAP).

If you are currently receiving paper checks and have not yet submitted the required banking information for direct deposit, please be advised that effective June 1, 2026, your HAP payment will be held until the necessary information is received and processed by FHC.

To avoid any interruption in payment, we strongly encourage you to submit your completed account update form as soon as possible. Forms are available on the FHC website, or you may visit our office during normal business hours to complete the required paperwork in person.

We appreciate your prompt attention and cooperation as we work to make this transition as smooth and efficient as possible for all participating landlords.

Should you have any questions, please contact our office for assistance.

Sincerely,

Shamel Burnett
HCV Director
Flint Housing Commission
